## District governor Laurie Yoshida shares her goals with us

Laurie Yoshida talked about having her Rotary moment. That sudden realization that Rotary is very important in your life. One example was when her daughter was helping her distribute dictionaries and she could explain to her daughter that many people didn't have a single book in their homes. There are people who did not grow up a fortunate as she was. Another example was when she was in the Philippines and saw a community made up of people that made a living finding things to sell in trash dumps. Rotary helped build the homes they lived in and a large water tower had the Rotary logo on it. What would their living conditions be like without Rotary. Laurie went on to say that the best exposure a new member can have to Rotary is a social occasion where they can have the time to meet Rotary members and talk to them. Meetings are good but there is never much time for prospective members to get involved and informed. She congratulated the club for our growing in a difficult year.

Bob Capwell was delighted that Laurie Yoshida could meet to talk to the club and to listen to the members. Bob is surrounded by information panels that show the club's accomplishments

# Happy Bucks

Branch Lotspeich was happy that the Lions Club helped make Rescue Tubes. He also announced a workday on Saturday to make more Rescue tubes.

## Join the repair crew! Buy a T-shirt

Show your care. Get in on the pre-order special. Save the Pier T-shirts are only \$25 each. (It is a fund raiser, after all). After that who knows what they will cost? Buy some for your friends and family so you can wear it proudly and let everyone else on the island know you are part of the Repair Crew. Give your check, how many you want and the sizes to Sunny Bunyan. Wear them to the District conference, get the other clubs involved. It's going to take all the help we can get.

## Rescue tube update

Rescue Tubes are now on the beaches of PMRF. Two are up and around a dozen more will be going up soon. These are the first rescue tubes to be installed on government property. There is interest on the base to look at putting them up at other oceanfront bases.

## Corrigan's Corner

The Washington Post's Mensa Invitational once again invited readers to take any word from the dictionary, alter it by adding, subtracting, or changing one letter, and supply a new definition.

Here are the winners:

1. Cashtration (n.): The act of buying a house, which renders the subject financially impotent for an indefinite period of time.
2. Ignoranus : A person who's both stupid and an asshole. (My personal Favorite)
3. Intoxicaton : Euphoria at getting a tax refund, which lasts until you realize it was your money to start with.
4. Reintarnation : Coming back to life as a hillbilly
5. Bozone ( n.): The substance surrounding stupid people that stops bright ideas from penetrating. The bozone layer, unfortunately, shows little sign of breaking down in the near future.
6. Foreploy : Any misrepresentation about yourself for the purpose of getting laid.
7. Giraffiti : Vandalism spray-painted very, very high
8. Sarchasm : The gulf between the author of sarcastic wit and the person who doesn't get it.
9. Inoculatte : To take coffee intravenously when you are running late.
10. Osteopornosis : A degenerate disease. (This one got extra credit.)
11. Karmageddon : It's like, when everybody is sending off all these really bad vibes, right? And then, like, the Earth explodes and it's like, a serious bummer.
12. Decafalon (n.): The grueling event of getting through the day consuming only things that are good for you.

## The Progressive dinner

The first progressive dinner for the Rotary Club of Hanalei Bay was held on Sunday, August 28th. There were pupus at Germaine Brown's home and Dinner at Tony and Sally Motta's. Dessert was at Lisa Wall's home. By all accounts a good time was had by all that attended.

## Foodland Booth Sales

We have reserved every Friday and Saturday in September for Cook Book sales at Foodland. We will also be selling T-shirts to raise money to repair the Hanalei Pier. We will need lots of volunteers to make this work and are asking each of you to spend a couple of hours helping your Club. The hours will be 9 am to 5 pm and each shift is two hours. We will be passing a sign up sheet on Thursday for this weekend and one each succeeding week for the month.

September is Give Aloha month at Foodland where organizations can register with Foodland for donations. Growing Our Own Teachers on Kaua'I will be joining us in an effort to raise funds also. Thanks for your support.

This past week was mostly dedicated to loose ends. Being stalled in our major fund raising efforts until we have the cost commitment, the Steering Committee is reconvening to confirm the preliminary numbers for us. Meanwhile, we continue our fund-raising preparations. Bumper stickers have been ordered as have Donor Canisters for merchant checkout counters. T-shirts have been ordered and, since they didn't have enough construction yellow to fill our order, you have a choice...construction yellow or lime green. Chick will be taking orders and the \$25 payment at our luncheon meetings. Finally, our Club has been given an informational table at the District Conference and Bob is donating its use for Save the Pier and GOOT. Save The Pier information sheets with a solicitation section will be available. Please contact Bob Capwell (634-2976) if you can staff the table. Any amount of time would be appreciated. More to come!
