All about Chinese Medicine

Marlene Widmann talked about acupuncture and Chinese medicine. She said that if she was ever in an accident she wanted to be sent to the emergency room at Wilcox. Western medicine is wonderful for treating trauma and curing disease. Chinese medicine helps keep you from getting ill to begin with. There is a place for both to keep you healthy. In Hawaii, practitioners of Chinese medicine have to have a four year degree by a recognized school to practice. Acupuncture, herbal medicine, nutritional therapy and lifestyle counseling all contribute to successful treatment. call at 808-652-8752 or go online at acuwoman@gmail.com for more information

Get Double Credit for your Rotary Contribution

Double recognition for online contributions to the Annual Programs Fund

In honor of Rotary's birthday, on 23 February 2011 The Rotary Foundation Chair Carl Wilhelm-Stenhammar has approved The Rotary Foundation offering double Paul Harris Fellow (PHF) recognition credit for online contributions of US\$100 or more to the Annual Programs Fund.

This opportunity will be open to all Rotarians worldwide for the day of 23 February 2011. There is no specific time zone associated with this promotion, so Rotarians around the world can contribute whenever it is 23 February in their time zone. To be eligible for the double recognition credit, you must be registered in Rotary's secure Member Access section of www.rotary.org. As registration on Member Access can take up to 24 hours, it is important for you to register in advance if they wish to participate in this promotion.

While the success of the 18-24 October 2010 online promotion for Polio Plus is the inspiration for this effort, there will be some slight differences for the 23 February promotion. Double PHF recognition credit will be provided to all online contributions of US\$100 or more to APF-SHARE. Resulting Foundation Recognition Points (FRP), however, will not be subject to doubling.

The primary sources of communication regarding this promotion will be www.rotary.org and e-mail to club and district officers. A Frequently Asked Questions document will accompany a web announcement from The Rotary Foundation scheduled for 15 February.
