Stop underage drinking!

Brenda K. Jose is the outreach coordinator of the anti-drug program in the county of Kauai. She said that we could do two simple things to help stop alcohol problems. Never get behind the wheel of a car if you have had a drink and never offer alcohol to a minor. It's basic, but it's a start. Underage drinking is responsible for assaults, rape, injuries and death. On Kauai it starts as early as 11. If you want to know more about what you can do to stop underage drinking Brenda wants to hear from you. Call her at 241-4926 or contact her at bjose@kauai.gov

Corrigan's Corner

Irrefutable logic!

Sherlock Holmes and Dr. Watson went on a camping trip. As they lay down for the night, Holmes said:” Watson, look up into the sky and tell me what you see?”

Watson said, “I see millions and millions of stars.”

Holmes: “And what does that tell you?”

Watson: “Astronomically, it tells me that there are millions of galaxies and potentially billions of planets. Theologically, it tells me that God is great and that we are small and insignificant. Meteorologically, it tells me that we will have a beautiful day tomorrow. What does it tell you?”

Holmes: “Somebody stole our tent”.
