Dan Hempey talks about sexual harassment

Dan Hempey said that there are some employers on Kauai that just don't get it. There is sexual harassment in the workplace on Kauai. Dan said sexual harassment laws are really an extension of civil rights laws. Employers can protect themselves if they put a program in place to deal with the problem and to enforce it. If they don't it will cost them thousands of dollars in damages. Most judgements against employers come about because they do not deal with a problem when it happens or try to intimidate or punish an employee for reporting a problem.

Foodland Booth Sales

We have reserved every Friday and Saturday in September for Cook Book sales at Foodland. We will also be selling T-shirts to raise money to repair the Hanalei Pier. We will need lots of volunteers to make this work and are asking each of you to spend a couple of hours helping your Club. The hours will be 9 am to 5 pm and each shift is two hours. We will be passing a sign up sheet on Thursday for this weekend and one each succeeding week for the month.

September is Give Aloha month at Foodland where organizations can register with Foodland for donations. Growing Our Own Teachers on Kaua'i will be joining us in an effort to raise funds also. Thanks for your support.

Join the repair crew! Buy a T-shirt

Show your care. Get in on the pre-order special. Save the Pier T-shirts are only \$20 each. Buy some for your friends and family so you can wear it proudly and let everyone else on the island know you are part of the Repair Crew. Give your check, how many you want and the sizes to Sunny Bunyan. Wear them to the District conference, get the other clubs involved. It's going to take all the help we can get.

Mal Dohrman picks one

John Oszust won the weeks pot and donated it right back to Rotary. Way to go john. He missed the Queen of Hearts so the pot grows.

Corrigan's Corner

The Washington Post's Mensa Invitational once again invited readers to take any word from the dictionary, alter it by adding, subtracting, or changing one letter, and supply a new definition.

Here are more winners:

13. Glibido : All talk and no action.

14. Dopeler Effect: The tendency of stupid ideas to seem smarter when they come at you rapidly.

15. Arachnoleptic Fit (n.): The frantic dance performed just after you've accidentally walked through a spider web.

16. Beelzebug (n.): Satan in the form of a mosquito, that gets into your bedroom at three in the morning and cannot be cast out.

Save the Pier
update By Sunny Bunyan

THE ROTARY CLUB OF HANALEI BAY

Good News! This week the pier will be "shored up" by Terra Pacific and we should have the repair numbers the following week. Priority went to pier safety rather than bean counting. So, we hold our horses a bit longer before we'll know what this project will cost. Michael will shoot the interim "fix" as part of the pier's history and prod Garden Island coverage. Importantly, Bob C is in contact with the state with our request to use the pier/shed for a BIG musical event...Musicians Save The Pier. Keep your fingers crossed. Meanwhile, Michael has developed our letterhead and Chick will soon start acknowledging the donations. He has also created a 13" X 19" informational Save The Pier foam board for use in our fund-raising efforts. With Laurie's gift of the canopy and our fund-raising presentation, we will be quite stylish and comfortable! More Good News: thanks to the Foodland stalwarts, led by George and Ann Corrigan, our coffers are filling. Last weekend they and other club volunteers sold Save The Pier t-shirts and tank tops and received pier donations to the tune of \$1561! The Hanalei Pier certainly has a fan base. When the next t-shirt/tank top order comes in we'll need a full squad of members to staff the Foodland table. Please sign up. Finally, happy 70th, Michael. You are a gem! More to come.
