Good Housekeeping

Club president Jeff Goodman gathered the family around the kitchen table and talked about finances. Because of a change in our accounting system a lot of the funds we have raised recently have been put in the Hanalei Bay Rotary Foundation account and not available to be used for Rotary Club operating expenses. The change was necessary to preserve our tax exempt status and eliminate any possibility of commingling funds. While we don't have a crisis on our hands or even a serious problem, President Jeff Goodman wanted to bring the situation before the Board and the membership so the next president (John Gillen) isn't facing an empty bank account.

Jeff asked to board for suggestions and floated the responses out to the membership to see if there were some new ideas that could be applied to bring our expenditures in line with our income. Some of the more interesting suggestions included a one time assessment of the membership, a club dues increase, assessing the foundation for fund raising expenses, and charging a meeting fee whether you attend the meetings or not. A lot of our operating expenses come from members donating Happy Bucks, and meeting participation. The meeting fee may add an incentive to members to come to more meetings. Our club does not have a fine system in place or excessive dues compared to many of the clubs in district 5000, so money is always tight. Talk about increasing the household budget has traditionally included participation by a large percentage of the membership in spirited debates. In some cases we have come up with operating expenses and in others we have lowered our expectations and ambitions. This looks like an opportunity to do both in the coming year. You can always tell a compromise has been reached when nobody is happy with the results.

District Conference Meeting

Memorial Day Weekend May 22 - 25, 2009

District Governor Ayman and Joann invite you to the 2009 Rotary District Conference at the beautiful Turtle Bay Resort. Join your fellow Rotarians, their families and friends for a truly exciting and memorable weekend on Oahu, the “Gathering Place”. The District Conference will inform and entertain you, provide activities for your keiki, and plenty of time to enjoy the amenities of the Turtle Bay Resort.

The natural unspoiled beauty of the Turtle Bay Resort and the surrounding North Shore of Oahu is found at every turn. Five miles of pristine beaches and two miles of ocean front trails will draw you from the hotel during your stay. Of all the Oahu resorts or hotels, Turtle Bay is quite simply the best. This is true Hawaii. The resort features lushly landscaped pools, two championship golf courses, ten tennis courts, hiking trails, water sports, a full service spa and fitness center, world class dining and shopping. It is close to the Polynesian Cultural Center, Haleiwa town and other popular beaches and surfing spots if you really think you can pull yourself away from the activities at the resort.

Register today for the 2009 District Conference for only \$10 per person. Reserve your room at the Turtle Bay Resort at the conference rate of \$184 per night plus hotel taxes. You will then be ready for a great Rotary weekend of fun and fellowship.

The Chain Letter of Paul the Apostle to the Corinthians WITH CHARITY ALL THINGS ARE POSSIBLE

This epistle comes to you from Philippi. Grace be to you and peace. Spiritual gifts will be delivered unto you within four days of receiving this letter--providing you in turn send it on. This is no joke. Send copies to whomsoever among the gentiles or superstitious peoples of other denominations you would comfort in all their tribulation. Do not send material things. Charity vaunteth not itself, is not puffed up.

While visiting the Household of Stephanas, a Macedonian proconsul received the epistle and was greeted by his brethren by a holy kiss. But he broke the chain, and now he is become as sounding brass or a tinkling cymbal.

Gaius bestowed all his goods to feed the poor, and gave his body to be burned, but it profited him nothing. He failed to circulate the letter. However, before his death, he received the unleavened bread of sincerity and truth.

Do note the following: Crispus had the gift of prophecy, and understood all mysteries, and all knowledge, and had all faith, so that he could remove mountains. But he forgot that the epistle had to leave his hands within 96 hours, and now he is nothing.

In A.D. 37, the epistle was received by a young Galatian woman who put it aside to copy and send out later. She was plagued by various problems: thrice she was beaten with rods, once she was stoned, and thrice suffered shipwreck. On the last day of these occasions, she spent a night and day in the deep. Finally, she copied the letter. A trumpet sounded, and she was raised incorruptible.

Remember: Believeth all things, hopeth all things. The chain never faileth.
